Article text	√	Pages

Briefly describe how you intend to use the requested material (attach additional pages as necessary):

Approval of Request

Upon receipt of your request, the Croatian Medical Association – Rijeka Branch and School of medicine Rijeka will respond via e-mail, fax, or postal mail to confirm your permission to use the requested material. **We reserve the right to refuse or reject any request.**

If the requested material (e.g. a photo) needs to be transferred to you, the CMA - Rijeka Branch will transfer it electronically via e-mail, as .jpeg format for photographs and .pdf format for articles.

At the discretion of the Publisher, special arrangements can be made to transfer the requested material through another medium.

Terms and Conditions of Use

Once permission to use the requested material has been granted, please note the following terms and conditions of use:

- The article or photograph must be reprinted as it appeared in the *Medicina Fluminensis*[®] print and/or online edition, without any addition, deletion or change. Trademark, copyright or other notices cannot be altered or removed from copies of the content. If less than a complete article is to be produced, the portion which will be reprinted must be clearly described in your request.
- The article or photograph reprint must clearly and plainly include the notice: „Copyright; Year; Croatian Medical Association – Rijeka Branch and School of medicine University of Rijeka. All rights reserved. Reprinted with Permission.“
- Permission is strictly contingent upon your signing and submitting a request form to signify acceptance of any conditions that will apply for the use and/or reprint of the requested material.

„I request nonexclusive world rights, in all languages and editions, including nonprinted editions.

By signing below, I hereby declare that I have read and understand the foregoing terms and conditions of use, and do agree to abide by them upon receiving permission to use the requested material.

Further, I affirm that all information represented here is accurate and true to the full extent of my knowledge..”
